La pasión por la fruta
Suministro directo y eficiente del productor al comercio minorista en Europa

Global Fruit Point (GFP)

se concentra en la importación de fruta convencional y orgánica, principalmente del hemisferio sur. Para nosotros es importante la cooperación directa y transparente.

Uvas de mesa, manzanas, peras, fruta de carozo, melones, piñas, cítricos, paltas y berries son nuestros principales productos de importación.

Gracias a las estructuras logísticas en Róterdam y Hamburgo podemos garantizar el manejo sencillo y rápido de la fruta en Europa. Nuestro propio equipo de control de calidad en los puertos y los análisis de laboratorio rápidos y detallados nos permiten monitorear todos los sistemas de seguridad alimentaria.

Contáctenos – nuestro equipo joven, motivado y experimentado está a su disposición para desarrollar nuevos conceptos y cooperaciones en el comercio frutero.

Estamos presentes en:

- Alemania: Buxtehude (sede principal)	www.frupe.de
- Rep. Checa: Praga (ventas Europa del Este)	Tel.: +49-4161-74 888 0

All the economic and technical information at a click in English and French

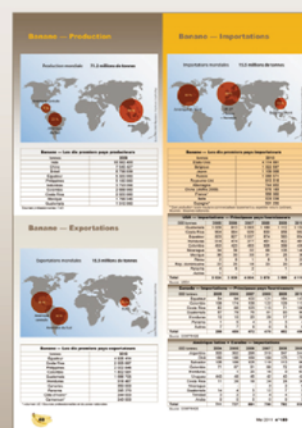

A tool for expertise and communication

Our journal **Fruitrop** has been specialised in the international fresh fruit trade for more than 15 years. Recognised for its **extremely professional editorial line**, it is a sector reference thanks to its original, amply documented analyses. It is also **an excellent French and international communication support** as it is published in two versions (French and English).

Full analyses in real time of the international trade in the main imported exotic and temperate fruits and vegetables.

Unique updated statistical content.

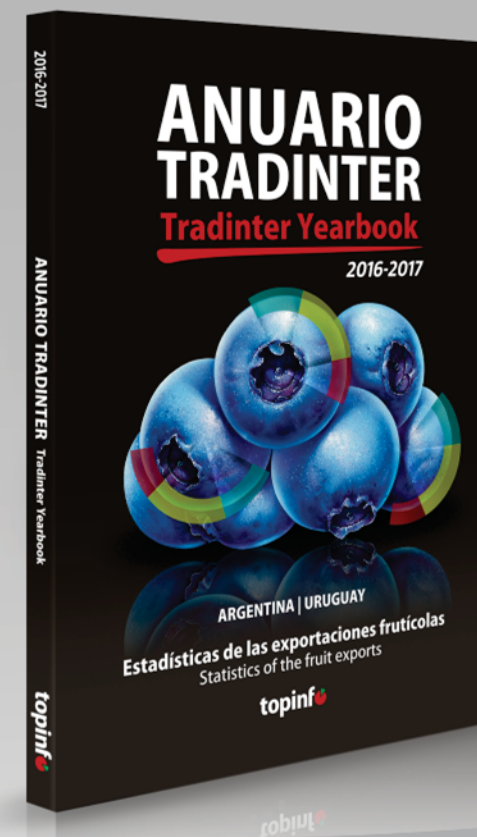

Technical information that is essential for understanding evolutions in sectors and producer countries: production techniques, varieties, sanitary and environmental issues, post-harvest.
